in need**

**Tuesday
Sept. 29, 2009
8:00am - 2:00pm
MassMutual Center**

**Be a One-on-One
Host/Advocate for the Day:**
You will be matched with a client whom you will assist by leading him/her through the maze of service providers. A very personal and rewarding experience as friendships are developed and clients have needs immediately met. Registration and a one-time training session required.

Be a Team Leader: Each Team Leader is responsible for 25 volunteers (Host/Advocates). Team Leaders are encouraged to recruit their team from family, friends, businesses, faith communities and other recreational and civic organizations. Team Leaders make sure their team has registered and completed training as well as serving as a contact person for any questions that might arise. On event day, team leaders check in their team and then volunteer as a Host/Advocate for the Day.

**Be a Source of Contact
